Naylor Specialist Plastics Metro Smooth & Specialist Smooth Bore Duct

Standard & Bespoke Solutions for Coilable and Rigid Smooth Bore Duct in Many Colours to Suit Specific Applications

Metro Smooth Bore Solid Wall Ducts Coloured HDPE

A range of smooth bore solid wall polyethylene ducting that meets the industry standard dimensional requirements. OD's, colours, wall thickness' and lengths offered as required. Black marked "Electric Cable Duct" Orange "Street Lighting" & "Traffic Signal" Purple "Spare Comms" & "Motorway Communications" other colours such as green are also available. All supplied with easy fit couplings.

Standard sizes

107/97 5mm Wall

90/80mm 5mm wall

63/53 5mm Wall

Same OD with 3.5mm wall also available

Minimum Order Quantities may apply

Smooth Bore Ducts Standard Sizes and Bespoke

Smooth bore ducts can be manufactured from virgin or reprocessed medium density or high density polyethylene up to 250mm OD to industry standard dimensional specifications such as SDR11, SDR17.6 and SDR26. Other specific wall thickness' can be achieved as required. These tubes can be supplied in coils up to 110mm OD. Larger sizes can be supplied in straight lengths up to 12m. Smooth bore ducts can be supplied in any colour required and printed with marking as specified. Ducts can be supplied with push fit couplings if required. Please ask regarding your requirement, bespoke sizes can be manufactured to suit your critical dimension

Minimum Order Quantities may apply

Metro Smooth Electric Ducting Coils and Lengths

Smooth bore solid wall black ducts are manufactured in coils or lengths. Meets the dimensional requirements of BSEN50086-2-4 This duct has flexibility as well as exceptional impact resistance and durability

Standard Sizes

37/32mm 25m 50m 100m

44/38mm 25m 50m 100m

60/50mm 25m 50m

Bespoke coils up to 750m giving less joints so ideal for Fibre Optic installations, Stick lengths up to 12m available

Minimum Order Quantities may apply

General Purpose Ducting

GP Ducting is manufactured as standard from Polyethylene in 6m lengths with a push fit coupling. Standard sizes are 54mm 89mm 110mm 114mm 160mm 168mm 200mm and 250mm. Sold in pack quantities

Minimum Order Quantities may apply

Bespoke Coil Sizes, Diameters & Lengths Available

Lengths and coils can be made to your exact requirements with regards to OD, ID, colour and length. Such as 350m lengths of black ducts for Fibre Optics, 55mm and 80mm OD Purple for a bespoke project

150m coils of Orange smooth bore has been manufactured at special request
